AMENDED INFORMATION DISCLOSURE STATEMENT
UNDER RULE 1.97

Commissioner for Patents
PO Box 1450
Alexandria VA 22313-1450

Sir:

In response to the Office communication dated February 11, 2005 and in compliance with the duty of disclosure set forth in 37 C.F.R. 1.56, Applicant hereby provides the following information:

(1) no item of information contained in Information Disclosure Statement submitted on November 1, 2004 was cited in a communication from a foreign patent office in a counterpart foreign application, and

(2) to the knowledge of the person signing the certification, and after making reasonable inquiry, no item of information contained in the Information Disclosure Statement submitted on November 1, 2004 was known to any individual designated in § 1.56(c) more than three months prior to the filing of the Information Disclosure Statement on November 1, 2004.

Although the Office communication stated that the proper fee under 37 C.F.R. 1.17(p) was lacking, a check in the amount of \$180.00 was submitted on November 1, 2004 in connection with the Information Disclosure Statement, as well as an authorization to charge any deficiencies to a deposit account.

Applicant respectfully requests acceptance of the amended Information Disclosure Statement in accordance with 37 C.F.R. 1.97(f) as a bona fide attempt was made to comply with section 1.98, but part of the required content was inadvertently omitted, thereby requiring additional time to enable full compliance.

Respectfully Submitted,

Bond, Schoeneck & King, PLLC
